

Wimmer Maschinentransporte Logo

Download our corporate identity

The key element in the visual representation of our company is our logo. The logo may be infinitely scaled while maintaining its proportions. The smallest it may be depends on the production method used to create it. The logo must remain legible and be of high quality at all times.

Please be aware that the Wimmer Maschinentransporte logo is trademarked. It must not be changed or copied without the express permission of Wimmer Maschinentransporte GmbH.

Please contact marketing@felbermayr.cc if you have any questions about this.
