

Data protection declaration

Dear visitor to the website of Wimmer Maschinentransporte GmbH,

in this data protection declaration we set out what data is gathered and processed when visiting our website and what it is used for. In addition, we indicate your rights, e.g. to object to usage profiles.

1. General information

In the following we inform you about the gathering of personal data when using this website. Personal data is all data that refers to you personally, such as your name, address, e-mail addresses and user behaviour.

The service provider is

Wimmer Maschinentransporte GmbH
Joseph-von-Fraunhofer-Str. 3
D-85254 Sulzemoos
E-mail: info@wimmer-maschinentransporte.de

2. Making contact

You can send us messages via our indicated e-mail addresses. The personal data that you provide us with as part of these messages is stored electronically and used for answering your e-mail. It is not used for any other purpose than the processing of your e-mail, nor is the data passed on to third parties.

If we use appointed service providers for individual functions of our offer or would like to use your data for advertising purposes, we will inform you about the respective processes in detail in this data protection declaration and in the individual declarations of consent or notification texts.

3. Your rights

You have the following rights towards us regarding the personal data that affects you:

- Right to information
- Right to correction or deletion
- Right to restrict processing
- Right to object to processing
- Right to data portability

You also have the right to complain to a data protection supervisory authority about the processing of your personal data by us. You can address such enquiries to us by e-mail to datenschutz@wimmer-maschinentransporte.de or refer to the contact details stated on the imprint notice.

4. Data security

We have taken technical measures to ensure data security and to protect your personal data. These measures are subject to further technical development and may be adapted accordingly.

5. Gathering of personal data for informational use

During use of the website, we do not gather personal data without your consent, with the exception of data that your browser conveys. When you view our website, we gather the following data that is technically necessary for us to display our website to you and to ensure stability and security:

- IP address
- Date and time of enquiry
- Content of enquiry (specific page)
- Access status/HTTP status code
- Data volume transmitted
- Website the enquiry is coming from ("referrer")

- Browser
- Language and version of browser software
- Operating system version
- Screen resolution

This data with complete, possible person-related IP addresses, which we store for reasons of technical security, especially to combat attempts to attack our web server, is deleted at the latest after 14 days.

6. Convenience functions

For an optimal presentation of our website (e.g. adaptation to different display sizes, displayable menu etc.), we use technology such as JavaScript and CSS (Cascading Style Sheets). You can switch off use of these technologies through corresponding settings of your browser. In these case, however, you may no longer be able to use parts of our website.

7. Cookies

In addition, cookies are stored on your device when using the website. Cookies are small text files that are stored on your hard drive, attributable to the browser you use, through which the party placing the cookie (in this case therefore us) receives certain information. Cookies cannot carry out any programmes or transfer viruses to your computer. They serve the purpose of making the Internet offer more user-friendly and effective overall.

a) This website uses cookies in the following manner:

- Transient cookies (temporary use)
- Persistent cookies (use for a limited time period)

b) transient cookies are deleted automatically when you close the browser. This includes the session cookies in particular

c) Persistent cookies are deleted automatically after a specified time period, which can differ depending on the cookie. You can delete the cookies at any time through the security settings of your browser.

This stored information is stored separately from any other data that may have been transmitted to us. In particular, the cookie data is not linked to your other data.

8. Social media offers of our website

We have incorporated YouTube videos into our online offer, which are stored on www.YouTube.com and can be viewed directly from our website. These are all part of the "extended data protection mode", which means that no data is transmitted to YouTube about you as a user if you do not view the videos. Only when you view the videos is the data transmitted without our influence.

By visiting the website, YouTube receives the information that you have accessed the respective subpage of our website. In addition, the data stated in the section above "Gathering personal data when visiting our website" is transmitted. This occurs independently of whether YouTube provides a user account through which you are logged in, or whether there is no user account. When you are logged into Google, the data is attributed directly to your account. If you do not wish the attribution to your profile on YouTube, you must log off before activating the button. YouTube stores your data as usage profiles and uses them for the purposes of advertising, market research and/or the design of its website according to requirements. Such an evaluation occurs in particular (even for users who are not logged in) to present customised advertising and to inform other users of the social network about your activities on our website. You have the right to object to the compiling of these user profiles. To exert this you must contact YouTube.

Further information about the purpose and scope of data gathering and its processing by YouTube is available in the data protection declaration. It also provides further information about your rights and the available settings to protect your privacy: <https://www.google.de/intl/de/policies/privacy> . Google also processes your personal data in the USA and is subject to the EU-US Privacy Shield, <https://www.privacyshield.gov>
